

Tree of Life Congregation

CRAFT AVENUE

The organization of the Tree of Life Congregation came about in June, 1864, and with the election of Alexander Fink as President, September 28, 1872, began a new epoch in its progress. In 1881, the congregation was left without a place of worship. In 1882, a committee was authorized to buy a Lutheran church at Fourth Avenue and Ross Streets. Rabbi Michael Fried succeeded the Rev. Crone as minister of the congregation. Rapidly expanding membership necessitated larger quarters at that time, and in 1905, the building was sold, and the property on Craft Avenue, the site of the present synagogue, was purchased for \$16,000.

TREE OF LIFE SYNAGOGUE

Henry Jackson was appointed chairman of a committee to build a new synagogue, and the present structure was dedicated in June, 1906. Rabbi Fried resigned, and he was succeeded by Rabbi Rudolph I. Coffee. In October, 1915, Rabbi Coffee resigned, and a call was extended to Rabbi Maurice M. Mazure, of Sioux City, Iowa. The late Col. Theodore Roosevelt was the guest of the congregation April 12, 1912.
