

Young Men's Hebrew Association

3134 FORBES STREET

The Young Men's Hebrew Association of Pittsburgh was organized October, 1910. Its progress has been marked with various changes, on the whole steady and hopeful. The most important event in its history was the recent half million dollar campaign for a building, which was a complete success. Plans are now going ahead for the erection of a new home which will mean a new epoch in the life of the Y. M. H. A. of Pittsburgh. For the past year the Y. M. H. A. has been located in

Aaron Olbum. President

Forbes Street, near Coltart Square. The greater portion of its membership has stood by the "Y" and with the coming of the new building the prospects of a larger membership, including every young man in Pittsburgh, are bright. Nearly a score of literary, social and athletic clubs are associated with the parent organization, and meet at the temporary headquarters.
