

Adath Jeshuran Congregation

MARGARETTA AND ST. CLAIR STREETS

The history of the Adath Jeshuran Congregation of the East End began three years ago when it was organized by a group of prominent East Enders who believed the establishment of another congregation in that section was necessary to suffice the ever-growing population.

The congregation worshipped in the Cameraphone Building for four months, when the property at Margaretta and St. Clair Streets was purchased. It has since served as a house of worship and meeting place for residents of the North Negley district. The membership has grown considerably, and plans are being laid for the erection of a synagogue. A large sum has already been gathered for the purpose.

The Sisterhood and Young Peoples' Society play an important part in its progress. Rabbi Aaron M. Ashinsky has been called to work with the officers and he has accepted.
